PRESIDENT: That is technically correct as far as priority. As far as priority, the other motions do take precedence and I think the Speaker would be out of order on that. However, if those who have amendments would carry them over to Select File, this would expedite matters for the Speaker. About the only way is to get Senator Burrows, Senator Vickers and Senator Lamb to agree to take their amendments over to Select File and let this....you do not. And Nichol, okay, and Nichol, excuse me, I am not apologizing for using your name, Senator Nichol. I mean that is the only way the Chair sees there would be any way out of this to get this thing moved so we can get some action and then delay your amendments until Select File but that is up to you, gentlemen. Mr. Speaker. Mr. Speaker, I suggested the only way that this could be expedited was for the three that have amendments to lay them over, to put them on in Select File. Senator Nichol says it is all right. Senator Burrows.

SENATOR BURROWS: To refer it to committee, that would be a vote on it.

PRESIDENT: Senator Vickers, what did you say to do?

SPEAKER MARVEL: I move we adjourn until nine o'clock tomorrow morning.

PRESIDENT: All right, motion...we have some matters to read in first. We will hold up to read these matters in and then I will take the Speaker's motion.

CLERK: Very quickly, Mr. President. Your committee on Enrollment and Review respectfully reports they have carefully examined engrossed LB 108 and find the same correctly engrossed, 203, 409, 442, 526, 572 and 597 correctly engrossed. (Signed) Senator Wesely.

Committee on Judiciary gives notice of a cancellation and rescheduling of public hearing.

Senator Venditte would like to print amendments to LB 525, Senator Hefner to LB 221 and Senator Wesely to LB 491 and Senator Newell to LB 61.

Mr. President, Senator Fowler would ask unanimous consent to have his name added to LB 809 as co-introducer.

PRESIDENT: Are we ready to adjourn? The motion is shall the Legislature adjourn until nine o'clock tomorrow morning. All in favor signify by saying aye, opposed nay. We are adjourned until 9:00 a.m., Tuesday morning.
